E-Transfer Giving @ The MCBC

In addition to pre-authorized direct deposits and donations that use credit cards, we are introducing a new way to give to MCBC. You will be able to use Interac e-transfers to send donations to our designated email address giving@mcbccanada.com, starting October 4, 2020. This will provide a significant savings for MCBC because the service charge is much lower than for credit cards. More of your donation gets put to use for God's ministries.

In order for you to allocate your donation to the fund(s) of your choice and for our church to issue a tax receipt at year end, you must pre-register as an Interac e-transfer donor before you make the first donation. Please follow the link to register:
